

Risberget-Hemskogen 2025

This topographic map illustrates a proposed route, highlighted by a red line with numbered points from 269 to 412. The route begins near the bottom left, passing through or near locations such as Nötöolen, Bunäset, Korpglärkölen, and Gårdmyran, before heading northeast towards Hemskogen. The map includes detailed contour lines, labels for various lakes (e.g., Jägartjärnen, Orartjärnen, Årstjärnen, Jälgstjärnen, Långmyran, Starimyrar, Lomtjärnmyran, Bjälltjärnen, Kvarngruvorna, and Gravflöten), and forested areas. Key infrastructure like the railway line and the road (Ga:2) are also shown. A scale bar at the bottom indicates distances up to 2,000 meters, and a north arrow is located in the bottom right corner. The map is sourced from Lantmäteriet, Geodatasamverkan.
